

“The King will reply, ‘I tell you the truth, whatever you did for one of the least of these... you did for me.’” - Matthew 25:40

OUR VISION

Slavic Christian Ministries (“SCM”) is a Christian charitable organization dedicated to reaching orphans, children, and adults with the love of Jesus Christ.

- ORPHANS
- ENGLISH EVANGELISM COURSES
- THEOLOGY COURSES
- DISTANCE LEARNING
- SHORT-TERM MISSION TRIPS
- COMPASSION PROJECTS

We do this by enabling Ukrainian Christians and American short-term missionaries to meet the needs of Ukrainians through our various outreaches, which includes on-going ministry within orphanages, engaging in English evangelism and theology courses, providing resources for distance learning, administering short-term mission trips, and undertaking other types of compassion motivated projects.

Reaching People for Christ,
One Person at a Time.

ORPHANS

SCM actively works with hundreds of orphans. Our SCM staff travels weekly to many orphanages to teach Christian education, and engage the children through games, crafts, skits, sharing gifts, and introducing them to short-term missionaries from America.

ENGLISH EVANGELISM COURSES

SCM has partnered with many churches and taught English Evangelism courses to hundreds of Christians and non-Christians within their local communities.

The goal is to bridge the secular world to the church by meeting a felt need, and introducing them to Jesus with the hope of salvation. Besides having Christians and non-Christians interact through our courses, our educational resources are filled with Christian theology.

THEOLOGY COURSES

SCM has partnered with numerous churches to teach theological courses to hundreds of Christians. The aim of our courses is to mature believers in the essentials of our faith, and to mature them in their personal walk with Jesus Christ.

DISTANCE LEARNING

SCM has partnered with many churches and the majority of the Christian universities, colleges, and bible institutes within Ukraine. Through our network of relationships, we have been able to distribute many thousands of copies of our theological resources to students across Ukraine so they can teach their local congregations our theological materials.

SHORT-TERM MISSION TRIPS

SCM has been partnering with American churches since 2003 by administering 10-11 day mission trips to Ukraine. During these trips, many Americans have been blessed, and many Ukrainians have been saved, encouraged, and helped in many ways. Most teams minister with orphans, engage in various evangelism outreaches, as well as, work in other compassion capacities. If you or your church is interested in participating in a future trip, please contact our ministry.

COMPASSION PROJECTS

Occasionally, SCM provides the necessary financial resources to help local churches, orphanages, and individuals who have a financial need. We have helped with building projects of churches, orphanage reconstruction, and met the needs of many individuals in an effort to advance their ministry or lives.

INVITATION

God has used our ministry in dramatic ways since our inception in March 2001. It has been a joy to reflect on what God has done through our efforts so far. The only way we can continue in our momentum is to have other partners like yourself help us advance Christ's kingdom.

Can you imagine how you can impact a life through your prayers and financial involvement? It doesn't take much effort or sacrifice to bless another person.

Perhaps you are unaware of Ukraine, but it is a country much different from ours. There are millions of unhappy people seeking life in all the wrong places, as is seen with the enormously high rates of divorce, abortion, domestic violence, alcoholism, crime, unemployment and ever-increasing number of homeless children and orphans.

Ukraine is a country where millions of people wake up each morning to hopelessness and despair. They have nothing to live for in life. But it is beginning to change...and you can help make the crucial difference for Jesus...one life at a time! We have begun our work and made a solid impact, but now we need you to help us keeping advancing forward.

Please pray and consider helping us. We truly need your help. May God bless you for your compassion and generosity!

In Jesus' love,

Ron Putnam
Founder & President of SCM
